

SAYAN MAITY

South 24 Parganas, West Bengal, India | 9883251882 | sayanmaity264@gmail.com

SUMMARY

Enthusiastic Computer Science Engineering graduate with strong technical knowledge in Java, SQL, MySQL, Excel, Power BI, Tableau. Possesses excellent problem-solving, communication, and teamwork skills. Seeking an entry-level role to apply my skills, gain practical experience, and contribute to organizational success.

SKILLS & ABILITIES

Data Analysis & BI: Excel, Power BI, Tableau, SQL

Programming: Python, Java

Tools: Git, GitHub, Linux

PROJECTS

Exploratory Data Analysis & Dashboard — Bike Sales

- Cleaned and structured raw bike sales data (Power Query, formulas), removing duplicates and fixing inconsistent formatting to produce an analysis-ready dataset.
- Built an interactive Excel dashboard (PivotTables, PivotCharts, slicers) surfacing sales trends, top-performing products, and category/regional breakdowns.

Data Professional Survey Breakdown

- Cleaned and modeled survey response data from data professionals into a Power BI data model to support breakdowns by role, experience, and compensation.
- Built an interactive Power BI dashboard (DAX measures, slicers) surfacing salary, job satisfaction, and skill-demand trends for stakeholders to explore.

Airbnb Price & Revenue Analysis Dashboard

- Built an interactive Tableau dashboard to visualize Airbnb listing data using charts, maps, and filters.
- Analyzed pricing, revenue trends, bedroom-wise listings, and zip code distribution to generate business insights.

Automated File Sorter

- Built a Python script that watches a File Explorer directory and automatically sorts incoming files into folders by type/extension, removing a repetitive manual task.
- Designed the rule set to be config-driven, so new file types can be routed without touching the core script.

EDUCATION

Guru Nanak Institute of Technology 2026

B.Tech in Computer Science & Engineering: CGPA: 8.8 / 10

Sundarban Janakalyan Sangha Vidyaniketan 2022

Higher Secondary: 91.3%

Krishnanagar High School 2020

Secondary: 89%
